October
2018
Monthly
Report

Manager's Lowdown

Greetings YLN Members,

October was a big month for the YLN! Here is your October 2018 monthly report.

Let's begin with some fantastic news. James Rider, Library Technology Technician at Yavapai College was awarded the 2018 AzLA Sharon G. Womack Outstanding Library Technician Award this past week at the annual AzLA Conference in Mesa. Also, the Friends of the Chino Valley Public Library received the 2018 AzLA Library Volunteer of the Year Award. Congratulations to all and a hearty "Thank you" for all you do for our consortium!

Continuing with fabulous news, the YLN App is now live! If you haven't already, you can download the app from both the App Store and the Google Play store. Just search YLN Catalog, download, and you're ready to go. You can find a printable, 2-sided tri-fold on the Portal. (Portal Home > Intranet > Support & Systems Information > ILS Configuration....scroll down to BlueCloud Mobile.) Patrons can access their account,

search the catalog, place holds, renew checkouts, store their barcode, find the nearest library, see events, and more using this simple app. Kudos to Chanel for all the set-up, and to Kelly Roberge for the flyer. Please let us know what you and your patrons think!

October also saw a change in our Enterprise catalog—our enriched content is now being supplied by Syndetics Unbound. SU allows patrons to discover summaries, author information, excerpts, read-alikes and recommendations, reviews and more, just by searching the catalog. And, for those who still love Novelist, Novelist Plus is still available through the Arizona State Library Databases.

In October, we also took delivery of our new Tech Logic Circ Trak Shelf Manager. This new wand uses RFID technology to scan your shelves and find items that are checked out, on hold, lost, missing, in transit, or claimed returned. Libraries who have already used it give it good reviews, and scanning goes quickly. If you'd like to use the wand, please send in a Help Desk ticket to be placed in the queue.

Finally, a quick report on our Network Cataloger. Eric has been very busy working for Network libraries since he started in July. He has cataloged over 1600 books, created over 200 original bibliographic records, and visited 22 libraries. If you have books to be cataloged, just fill out a Cataloging Request (under Shortcuts on the Portal) and wait for his response. If you'd like him to visit, just ask. And please don't hesitate to take advantage of this incredible service!

~ Judy

Member News

At the **Yavapai College Library:**

An Evening with Anthony Marra

November 9 at 7:00 pm in the Susan N. Webb Community Room

For more information, see <http://yc.edu/literarysw>

At **Sharlot Hall Museum:**

Historic Printing Presses of Arizona

November 10 at 2:00 pm in the West Gallery

For more information, see <https://www.sharlot.org/adult-learning-lecture-series/>

Happy Halloween from Prescott Mile High Library and the Yavapai Library Network

Prioritization

Priority One: Resolve Current Helpdesk Requests

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to help@yln.info. If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

Total requests submitted: 91

Total requests resolved: 74

Total unresolved requests opened this month: 17

Total requests still open: 41

Priority Three: Testing SimplyE

Partnering with the Digital Public Library of America (DPLA), the YLN will be testing SimplyE which allows patrons to view all our e-materials at one site.

Goal: Fully implement SimplyE at several pilot libraries

Project Lead: Chanel Wheeler

- Choose libraries to be the pilots
- Have pilot libraries test the DPLA Exchange
- Have pilot libraries test Circ Manager
- Have pilot libraries test SimplyE
- Give feedback to DPLA
- Meeting with DPLA about next steps

Priority Two: Implement Blue Cloud Cataloging

Blue Cloud Cataloging will allow library staff to access Symphony cataloging from a web browser. The new product should have significant user interface improvements above the cataloging section in WorkFlows.

Goal: Fully implement Blue Cloud Cataloging (BCC)

Project Lead: Chanel Wheeler

- Upgrade Web Services so we can use BCC
- Configure Web Services for the new service
- Test BCC to see how it works
- Create documentation
- Activate it for a test library to see how it works in a production environment
- Conduct a training session for all YLN users
- Activate it for the remaining libraries

Note concerning prioritization: The priority of projects may shift as individual portions are completed.

Prioritization

Completed Projects CY18

TechLogic contract and purchase of AMH
YLN Strategic Planning

Cancelled/Postponed Projects CY18

Implement BC Visibility
